SUCCESSFUL ACHIEVEMENT OF THE PROGRAM OF THE CIPD

- Strengthening of our projects of Human Rights and sexual reproductive health in Venezuela.
- Promotion of permanent and educative actions that warn about the factors of risk in sexual reproductive health (HIV/AIDS, Pregnancy in teenagers, among others). This labor is made in communities where there are female teenagers and young women(12 to 25 years old).
- Creation of the Juvenile Net of Culture of Peace and Sexual Reproductive Health in the Andean Region.
