Dear friends and colleagues,

We are pleased to forward to you a hard copy of the report generated by the GPIA NGO Forum.

We believe that it is a useful, comprehensive document recording some major aspects of the Conference and ICPD related information. We are pleased to say that this conference, its BCTA and SONGS have been utilized in a number of other ICPD+15 events and we are currently exploring possible ways to continue to carry the messages forward from Berlin.

We would again like to place on record our sincere thanks to the Government of Germany and UNFPA for their unflagging support and sponsorship of the Forum. We would also like to recognise the MacArthur Foundation, the Ford Foundation and the United Nations Foundation, whose contributions enabled the wide participation of NGOs, together with NGO parliamentarians and journalists.

We would finally like to acknowledge all those who contributed in various ways to the success of this event.

With kind regards

 International
Planned Parenthood
Federation

 German Foundation for
World Population (DSW)
